18635 Southeast Bakers Ferry Road, Boring, OR 97009, Phone: (503) 637-5020 Fax (503) 637-5030

GENERAL PRICE LIST

Effective January 1st, 2022

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. The list does not include prices for certain items you may ask us to buy for you, such as cemetery services, flowers, limousine rental, and newspaper notices. The prices for those items will be shown on your bill or the statement describing the funeral goods and services you selected.

Cornerstone also makes available green burial options and is one of a select group of funeral providers approved by the Green Burial Council; a non-profit organization that encourages the use of burial as a means of facilitating restoration, acquisition, and stewardship of natural areas. For such arrangements, formaldehyde-based embalming is prohibited as is the use of metal or concrete grave liners, burial vaults, or other permanent burial containers. Caskets, coffins or alternative containers used to enclose and transport the deceased are made of bio-degradable materials and are available in a range of prices. Home wakes, public visitations, church funerals, and graveside services are options that may be arranged within the time frame green burial allows.

The following **SELECTED SERVICES** are those most commonly chosen. Goods and services may be added or deleted, as you desire. These costs are derived from our General Price List. **NOTE: These prices do not indicate services for transportation outside 30 miles, excess of 300 lbs., weekends, holidays, cemetery charges, special autopsy restoration, or Medical Examiner's transportation fees, if any.**
